

MQ WHITEMAN TRUSS SCREED MSHE SERIES

The MQ Whiteman MSHE series Truss Screed is a superior truss screed for levelling pavement and industrial floors. Its modular design gives operators the ability to adapt the screed to meet their length requirements by adding or removing sections. Featuring durable steel construction, a powerful Honda engine and 10-gauge galvanised steel screed blades, this truss screed will provide dependable and maximum performance on every job.

TRUSS SCREED – ENGINE KIT

Model	Operating Weight (kg)	Engine Make	Engine Model	Max Rated Power (hp)	Fuel Type	Required item*	Product Code
