

FLEXTOOL PROFINISH[®] RIDE-ON POWER TROWEL FP1046-4

The Flextool ProFinish Ride-On Power Trowel FP1046-4 is built for the professional contractor. Offering exceptional power-to-weight ratios, they are the ultimate force in tackling concrete pours of all sizes.

Fitted with precision engineered components including robust and durable spider plates, mechanical steering, and heavy-duty drive system, this machine ensures the perfect finish is achieved on each and every slab. Equipped with highly efficient gearboxes, maximum torque is transferred to the trowel rotors for superior performance at low, medium and high rpm.

Designed around operator experience, efficiency and durability, the Flextool ProFinish Ride-On Series 4 provides optimum balance and smooth operation, making it ideal for industrial and commercial projects.
