

FLEXTOOL PROFINISH® RIDE-ON POWER TROWELS

The ride on power trowel offers exceptional power to weight ratios, meaning they are the ultimate force in tackling concrete pours of all sizes. Powerful engines deliver maximum performance to the heavy-duty gearboxes resulting in a perfect finish every time.

HEAVY DUTY GEARBOX

The ProFinish ride on power trowels are fitted with heavy-duty gearboxes that provide longer life and less maintenance.

FEATURES

- › Heavy duty gearboxes provide longer life and less maintenance
- › Twin stick, multi-directional levers deliver immediate, responsive steering
- › Emergency shut down control for operator safety
- › Lifting points for balanced lifting on and off the job site
- › Independent manual pitch control
- › Adjustable seat for operator comfort
- › Lights for indoor and night time work
- › Water / Retardant discharge system
- › Wheel kit for easy onsite manoeuvrability
- › USB charging outlet for smartphones
